AMERICAN NAZI PARTY FINANCES

On July 26, 1961, RH T-2 advised ROCKWELL owes \$30 toward full payment of his June rent on property at 6150 Wilson Boulevard, Arlington, Virginia, and the July rent had been paid in full. RH T-2 reported ROCKWELL pays rent partly by cash and partly by check.

On July 31, 1961, Captain [ ] of the Arlington County, Virginia, Police said that as of this date ROCKWELL had a telephone bill totaling \$560 for Headquarters and Auxiliary Headquarters. He said the rent would be due August 1, 1961, for both locations.

b6  
b7C

Captain [ ] continued that, during the month of July 1961, ROCKWELL made six payments towards his monthly \$200 family support payments. These payments ranged from \$15 to \$50, and they totaled \$180.

On August 7, 1961, Captain [ ] said ROCKWELL paid \$100 toward his family support payment. In view of the \$20 owed on the July payment, \$120 was still owed. Captain COLE said ROCKWELL admitted on August 1, 1961 that his debts amounted to \$1,080.

On August 30, 1961, Captain [ ] said he interviewed ROCKWELL this date. According to [ ] ROCKWELL said ANP is about \$1,500 "in the red". ROCKWELL indicated he was depending on new accounting procedures to put ANP's operation in the "black". ROCKWELL said [ ] a member of ANP, was handling ANP's accounting and was responsible for the new procedures.

On September 6, 1961, Captain [ ] said ROCKWELL was interviewed this date. ROCKWELL said he received a \$100 and a \$12 contribution via U. S. Mail in the past two days. ROCKWELL claimed donations had slowed up during the opening of the Fall session of schools because families have high expenses at this period.

b6  
b7C

Captain [ ] said ROCKWELL claimed it costs \$50 per day to maintain ANP Headquarters and Auxiliary Headquarters.

RH 157-93

On September 29, 1961, Judge HUGH REID, Arlington County Juvenile Domestic and Relations Court, advised ROCKWELL has been sporadic in making his support payment to his family; therefore, he is in contempt of court.

ROCKWELL appeared before Judge REID on September 29, 1961, to answer contempt of court charge. During proceedings, the court took custody of ANP financial ledgers which indicate ANP received more than \$10,000 since the first of 1961. Judge REID said he did not consider ANP received this amount. Rather, he said it was the opinion of the court that GEORGE LINCOLN ROCKWELL received this money. The basis for the court's thinking was: ANP has been chartered in the State of Virginia; however, ROCKWELL has never organized the party as a corporation. The fact that ROCKWELL had supplied certain monies to members for expenses they incurred, was not sufficient evidence for the court to rule that ANP was operating as an established political party.

Judge REID continued the proceeding until October 17, 1961. At that time, the Clerk of the Court's records will be reviewed to determine if ROCKWELL had paid in full the monthly support of his wife and three children in Connecticut. The court brought to ROCKWELL's attention that this money has been ordered paid in full at the beginning of the month for which it is due.

Captain COLE, above, interviewed [redacted] ANP, during above proceedings. [redacted] informed that ANP is in dire financial straits. He gave an example of ANP poverty by saying that ANP members living at 6150 Wilson Boulevard, Arlington, eat chip beef on toast for breakfast, lunch and dinner.

b6  
b7C

On October 31, 1961, Captain [redacted] said he was informed by [redacted] that ANP's finances were at the lowest ebb. [redacted] alleged that current members are not contributing to the Party. [redacted] described those members who live at Headquarters and Auxiliary Headquarters as "leeches".

RH 157-93

On November 2, 1961, Captain [ ] said ROCKWELL exhibited a check which he received in the mail this date. Captain [ ] said the check was in an envelope bearing the return address of [ ] Roanoke, Virginia. Captain [ ] described the check as follows:

"Dated November 1, 1961, drawn on the First National Exchange Bank of Roanoke, Virginia, in amount of \$10,000.00, signed [ ] check #101, handwritten number [ ]."

b6  
b7c

Captain [ ] said number [ ] appeared to be an account number for the signer of the check.

Captain [ ] said ROCKWELL claimed he did not know a [ ], and he did not know anyone in Roanoke who might support the ANP. According to Captain [ ], ROCKWELL believed the check could be a hoax and ROCKWELL stated he planned to fly to Roanoke in an attempt to cash the check.

Captain [ ] said ROCKWELL claimed he did not show the check at ANP Headquarters because [ ] and DANIEL BURROS can no longer be trusted.

On November 3, 1961, a Special Agent of the FBI observed GEORGE LINCOLN ROCKWELL arrive at Woodrum Field, Roanoke, Virginia, at 12:38 P.M. Upon arrival he made return reservation to Arlington, Virginia, in the name of GEORGE LOVEJOY.

ROCKWELL was observed to leave the airport and go to the First National Exchange Bank. From the bank, he was observed to go to the office of the Postal Inspector and then to Woodrum Field where he boarded an aircraft destined for Arlington, Virginia.

Date 11/10/61

[redacted] Assistant Cashier, The First National Exchange Bank, Roanoke, Virginia, advised that he was presented a check by an individual identifying himself as GEORGE ROCKWELL on November 3, 1961. [redacted] stated that he noted that the check was drawn in the name of [redacted] dated October 31, 1961, and was in the amount of \$10,000. [redacted] further stated that ROCKWELL had a letter from [redacted] Roanoke, Virginia, which stated, "keep up the good work. Destroy all records of this transaction." [redacted] stated that the bank did not have an account in the name [redacted] and ROCKWELL told him that he was going to call this matter to the attention of the FBI or proper authorities.

On August 7, 1961, WILLIAM FAWVER, Chief of Police, Arlington County, Virginia, requested the FBI Laboratory to examine contents of a package which he obtained from ROCKWELL. Chief FAWVER said ROCKWELL believed package contained ingredients for a bomb.

An examination of this package by the FBI Laboratory revealed it contained three separate ingredients; i.e., lye, epsom salts, and blue vitriol. The Laboratory advised that no combination of these substances known to the Laboratory will produce a stench or explosive type of bomb.

On August 9, 1961 Captain [ ] said ROCKWELL informed he planned to equip ANP members at Headquarters with cameras and the members have been instructed to photograph unusual occurrences.

Belvoir" who threatened to do this.

Captain [ ] asked ROCKWELL to identify the members of ANP who are active in Atlanta, Georgia. ROCKWELL said he would not identify all of the members; however, during this stage of the conversation he mentioned the name [ ]. Captain [ ] said it was apparent to him that ROCKWELL did not mean to let the name [ ] slip out; however, once the name had been mentioned, ROCKWELL would not deny that [ ] was a sympathizer of ANP.

Captain [ ] said he also learned from ROCKWELL that ANP members picketed at McLean Gardens Apartments in Washington, D.C., on August 29, 1961. The picketing was in opposition to integration and lasted three hours. ROCKWELL said ANP would picket again on September 1, 1961.

b6

Captain [ ] asked why there was such a frequent turnover of ANP members in the recent past. [ ] said members are trained in Arlington to enable them to establish ANP branches all over the country. Because of this, members stay a short time and are sent out as soon as their training ends.

b6  
b7C

Mr. (FNU) [ ] of the American Security and Trust Company, Washington, D.C., telephonically contacted the Arlington Police at 6:40 P.M., on October 2, 1961. [ ] said he had just effected the repossession of "GEORGE LINCOLN ROCKWELL's Hate Bus". This vehicle was titled in the State of Virginia in the name of [ ].

On September 22, 1961, ROCKWELL telephonically contacted the FBI and said he received a letter from Puerto Rico which might concern Bombing Matters. He said he would like to turn the letter over to the FBI.

9/30/61

Date

GEORGE LINCOLN ROCKWELL, self designated leader, American Nazi Party (ANP), said he had in his possession a letter addressed to him postmarked San Juan, Puerto Rico, September 18, 1961. This letter contained a rambling narrative referring to seven fires which occurred in the San Juan, Puerto Rico, area, and some bombs which were about two inches in length. Mr. ROCKWELL said he did not want to be corresponding with anyone who might be involved with bombing matters and, therefore, he wanted the FBI to be aware of the information in that letter.

ROCKWELL said he had become interested in the activities of the Muslim cult. It was his belief that by working with the Muslims, he could convince a large group of Negroes that they should return to their native Africa. When this was accomplished, he would supply them with forms where they could sign up to obtain free transportation to the continent of Africa. When he became president of the United States in 1972, all Negroes who had signed up for free transportation would be put on a boat and sent to Africa.

ROCKWELL said his dealings with the Muslims has been well publicized. Because of the publicity, ROCKWELL now receives only a negligible contribution to ANP from Southern United States. ROCKWELL identified one of his Southern representatives as [redacted] ANP member at New Orleans, Louisiana. ROCKWELL said [redacted] is acting as a liaison man with the Muslim cult.

ROCKWELL claimed ANP filled the front pages of Chicago newspapers on September 19, 1961. He explained this statement by saying that [redacted] ANP youth organizer, received a letter at ANP Headquarters, which requested 150 "National Socialist Bulletins". The request was honored and subsequently another request from the same source was received at ANP. This request was also honored; however, ROCKWELL did not know the exact number of bulletins sent in this mailing. ROCKWELL said he did not know the name of [redacted] correspondent in Chicago.

According to ROCKWELL, the party requesting the bulletins, distributed them among students at a junior high school in the Chicago area. The fact that they had been distributed in large numbers at this junior high school was publicized in the paper on above date.

ROCKWELL exhibited his latest brochure entitled "What's Behind 'Mr. Hate'?" This brochure is advertisement for ROCKWELL's book entitled "This Time the World" by GEORGE LINCOLN ROCKWELL. The brochure describes the book as "The communist manifesto, Mein Kampf....and now...perhaps the most important book of our time...!". An order coupon is on the back of the brochure. The order coupon bears the address Parliament House, 501 - 5th Avenue, Suite 1015, New York 17, New York. ROCKWELL described Parliament House as a front office for ANP activities in New York City.

Regarding Parliament House, ROCKWELL said he dispatched ANP Trooper [ ] to that office. ROCKWELL said [ ] was sent to New York to ferret out traitors to ANP and communist infiltrators.

b6

He stated that [ ] had found at least two Communists and two Negroes operating within the party. He said he had found it necessary to dispatch DANIEL BURROS and [ ] to New York to assist [ ]

A characterization of the Muslim Cult of Islam appears in the Appendix of this report.

On September 27, 1961, Officer [ ] Juvenile and Domestic Relations Court, Arlington, Virginia, advised that on this date [ ] appeared before Judge HUGH REID. [ ] admitted that he was a member of the ANP. [ ] was charged with contributing to the delinquency of a minor; namely, [ ] age 14. Judge REID heard evidence against [ ] and fined him \$25 and court cost.

On September 27, 1961, Detective [ ] Arlington Police Department, said she had been conducting investigation of several members of the ANP to determine if they may have violated any local laws. In the course of this investigation she developed that the ANP fosters a Boys Youth Club. Three of the members of the Youth Club are [ ] (LNU), all of whom reside in Washington, D.C.

b6  
b7C

Detective [ ] said ROCKWELL encouraged five Arlington teenage girls to form a group of "Shower Troopers" called "Naziettes". This group contributed \$12 cash so that bail bond for ANP member, [ ] could be obtained. She said this bond was imposed for a charge of assault.

Detective [ ] said ANP members receive no salary for the work performed in the Party.

She said ROCKWELL did not encourage teenage girls to fraternize with ANP members; however, he advocates marriage and large families for ANP members.

She said there was no indication ROCKWELL was aware that ANP members and juvenile girls indulge in promiscuous behavior at ANP Auxiliary Headquarters.

b6  
b7C

On October 27, 1961, [ ] [ ] Richmond, Virginia, identified his son as a member of ANP. He said his son is in jail at Goochland, Virginia, because he was convicted of assault and battery at Arlington, Virginia. He said his son at one time had plans for an atomic energy installation at Idaho Falls, Idaho. Mr. [ ] said he did not know the classification of the plans. He said he was concerned about the plans for fear they might fall into improper hands.

A characterization of National States Rights Party appears in the appendix of this report.

Concerning [redacted] mentioned above, the "Providence Evening Bulletin", a newspaper, Providence, Rhode Island, on November 10, 1958, carried an article quoting ROCKWELL as saying that he and [redacted] of Baltimore, Maryland, decided to establish an international center for anti-Jewish activity near Washington, D.C. In order to get influential people [redacted] put \$20,000 into the venture, and this center for anti-Semitic propaganda is located at 6512 Williamsburg Boulevard, Arlington, Virginia, according to the article.

The records, Clerk of Court, Arlington County, Arlington, Virginia, revealed on January 28, 1959, that [redacted] filed action against ROCKWELL on September 23, 1958 to recover the premises of 6512 Williamsburg Boulevard, and a printing press and other equipment. On February 11, 1959 [redacted] Attorney, Arlington, Virginia, advised that this case was settled out of court on the basis that ROCKWELL would be allowed to stay in the residence until June 21, 1959, at which time he would move out and turn over the equipment to [redacted]

- (2) A four page paper entitled "Common Sense" identified thereon as having been published by the Christian Educational Association, Union, New Jersey.
- (3) A booklet entitled "Third Zionist War" by GEORGE W. ARMSTRONG. This is a 70 page booklet which starts off with a petition in legal form stating that President HARRY S. TRUMAN, Secretary of State DEAN ACHESON and Justice of the Supreme Court FELIX FRANKFURTER are traitors and should be impeached and prosecuted. The booklet then proceeds with arguments against Zionists.

Characterization of "Common Sense" and Christian Educational Association appears in the appendix of this report.

The Baltimore Division of the FBI supplied the following additional information:

Mr. [ ] Financial Supervisor, Vic Tanney's Gymnasiums, Washington area, advised SA [ ] on June 28, 1961, that on June 20, 1961, [ ] 6150 Wilson Boulevard, Arlington, Virginia, appeared at the Vic Tanney Gym, 359 North Fairfax Drive, Arlington, Virginia, and completed a membership contract. b6  
b7C

On the evening of June 23, 1961, [ ] called the gym and stated he desired to cancel his membership. Mr. [ ] said he questioned [ ] in this regard, and [ ] said he was a member of the Nazi Party, and he discovered that VIC TANNEY was a Jew and that the gymnasiums were managed by Jews, and, therefore, he wanted no part of it. He said he had only signed the contract as a joke anyway, and he now desired to cancel.

RH 157-93

Mr. [ ] said the conversation became heated and [ ] then put a Mr. [ ] (PH) on the phone. [ ] said [ ] wanted nothing to do with Vic Tanney's because it was operated by Jews. [ ] then went on to say that he, himself, was part Indian, and "his leader" told him he would go back to his people when "we take over". [ ] asked [ ] if he were mixed up with ROCKWELL and [ ] answered "definitely". [ ] then remarked something to the effect it was too bad that the Germans had not gassed all of the Jews. Mr. [ ] said the episode ended at this point.

b6

On October 17, 1961, the Prince Georges County Police Department, Seat Pleasant, Maryland, advised Agents of this Bureau that [ ] had been arrested by that department on a local charge of carnal knowledge and had advised the police that he wanted to discuss the ANP with the FBI.

[ ] said while a member of the U. S. Marine Corps in 1960, he heard ROCKWELL speaking in the mall in Washington, D.C. After the talk, he went to ROCKWELL's headquarters, 928 North Randolph Street, Arlington, Virginia, and obtained literature relative to the ANP. Upon his bad conduct discharge from the U. S. Marine Corps in 1960, he made application for joining the ANP. At that time, he was completely fingerprinted, including palm prints and photographed.

b6  
b7C

He was told that he would have to undergo a thirty day trial period, after joining the ANP. During this thirty day trial period, it was necessary for him to qualify for the Party through showing his courage in physical combat in two street actions. He stated the street actions consisted of picketing at various Negro establishments. At the completion of the thirty day trial period, he was sworn in and became a card-bearing member of the ANP with the position of personal bodyguard to ROCKWELL, the Commander of the ANP.

[ ] said that the ANP advocates the wiping out of the democratic form of government in America, because it is mob rule and will set up a National Republic Government. The ANP will purge people in following their ideas, by setting up concentration camps and gassing them. He advised that 80% of the Jewish people in the U. S. would be so destroyed. The ANP also advocates withdrawing citizenship of all Negroes in this country. Further, the Party will deport all liberal and conservative Americans and all Christians who have played into the hands of the Jewish people. Religion will be tolerated if it does not interfere with the government; however, all small fringe groups of the Protestant sects will be broken up and a new religion formed by ROCKWELL will be given to them. All Jewish synagogues will be turned into gas chambers for the destruction of the Jewish people.

b6  
b7C

[ ] said that although the Ku Klux Klan is not a part of the ANP, one of the ANP members, [ ] went to Atlanta, Georgia, in September 1961, to participate in the picketing of the Grady High School in that city. While there, he was furnished money by the Grand Wizard of the KKK in Atlanta for his own personal comfort and use.

He said that Ministers from the "Church of God" religious sect from Bakersfield, California, are card-carrying members of the ANP. Further, he stated numerous Ministers of the "Pentacostal Church, a fringe Protestant sect," are members of the ANP. He was unable to furnish the names of these persons.

He described the Party's hard core as consisting of 20 members, whose quarters are at 928 Randolph Street, Arlington, Virginia. There are approximately 6,000 members of the ANP in the U. S.; however, the vast majority of these members are associate members. He stated associate members are those card-carrying individuals who reside outside of a 50 mile radius from Arlington, Virginia. All members, regular and associate, contribute \$10 at the time of their application for membership. These associate members participate in picketing in the various cities where they are.

[ ] advised that at the present time, the Party is starting a youth movement and that [ ] is the National Youth Organizer of the ANP. The purpose of the youth movement is to bring the youth of the high schools and colleges together and organize it to spread Nazism in schools and homes. The FAN is used as a cover-up for the youth movement in Washington, D.C. A youth by the name of [ ] who lives in southeast Washington, D.C., and attends the public school system in that city, is the youth leader.

b6  
b7C

[ ] said that there are a group of young girls in Arlington, Virginia, called the Naziettes and they spread Nazism in the public school system in Arlington. He could not furnish the names of these girls. He advised that the ANP, on a national basis, is attempting to organize the youth and that [ ] the national organizer of the ANP, travels to various cities throughout the country and organizes special divisions, so that divisions can indoctrinate the youth of the cities.

b6  
b7C

[ ] said that the Party does not advocate free love and has rules that its members cannot drink or smoke. He stated, however, that various members of the hard core in Arlington have been contacting young girls and on occasions, have had intimate relations with them. Further, he advised that students from the University of Maryland and from American University in Washington, D.C., come to the headquarters in Arlington and obtain literature and discuss the ANP. He advised that most of these female students are very promiscuous and he stated that as a result of seeing how the ANP treats these young women, he has decided to make a clean break. To the ANP, a woman is an inferior creature and is used for the propagation of children, so that they can be indoctrinated into Nazism.

He advised that he does not know the names of any underground members of the ANP; however, stated that they do have some. These names and the mailing list of the ANP are contained in a locked safe in ROCKWELL's room at ANP Headquarters. Someone is always present in this room, 24 hours a day.

He stated that recently, ROCKWELL has instituted a program of sending literature and corresponding with Officers in the U. S. Army, hoping to win the Army over to his way of thinking. He believes that he can obtain control of the government in this country by 1972, through popular election; however, by that time, he wants the Army on his side.

An unknown man from the State Department recently called Party Headquarters and told ROCKWELL that he sympathizes with the ANP greatly; however, because of his position with the government, he could not openly say so.

[ ] advised that to his knowledge, a Military Policeman at Fort Meyers, Virginia, is a member of the ANP. This individual, whose name is [ ] was formerly assigned to the 82nd Airborne Division, and has only recently been assigned to Fort Meyer, Virginia.

He advised that the ANP pickets and gets involved in minor scrapes with the National Association for the Advancement of Colored People and the Committee on Racial Equality, so that it can obtain publicity. ROCKWELL, according to [ ] wants all the publicity he can get, good or bad, to keep the Party's name in the press.

She advised that during the course of her acquaintance with various members of the ANP, there had been discussions concerning the possible formation of a girls auxiliary to be known as the "Naziettes".

No actual plan of organization had been set out or presented to the girls nor had there been any meetings and initiation or other rituals discussed.

She advised that she had never been transported outside the State of Maryland by any of the aforementioned members of ANP and to her knowledge, neither had [redacted] or [redacted] who had also dated members of the ANP, been transported out of this State for any purpose whatsoever.

The Albany Division of the FBI supplied the following additional information:

On August 2, 1961, Chief of Police JOHN T. COSTELLO, (NA), Auburn, New York, furnished literature received by him on July 31, 1961, from Mrs. [REDACTED] [REDACTED] Auburn, New York. He stated that Mrs. [REDACTED] has recently retired as [REDACTED] for the City of Auburn. She could offer no explanation as to why she had received any literature of the type.

It is noted that the envelope was addressed by typewriter with the return address typed on the flap: Box 1381, Arlington, Virginia, Zone number "13" was written in ink between "Arlington" and "Virginia". Postmark was Los Angeles, California 18 at 1:00 p.m., July 26, 1961. The enveloped contained a leaflet of anti-Semitic character signed by LINCOLN ROCKWELL, Commander, ANP, Box 1381, Arlington, Virginia, and a newspaper "The Thunderbolt", dated May, 1961, issue No. 29, described as "the Official White Racial Organ of the National States Rights party," published at P. O. Box 783, Birmingham, Alabama, Dr. EDWARD R. FIELDS, Editor.

Chief COSTELLO said he had no idea why the information was sent to Auburn. He said members of his department have received similar literature. He noted that about two weeks ago, an individual was sentenced for raising a Nazi flag after taking down the American flag.

However, this flag was made by the person who did the raising and there was no indication of anyone else involved and no literature was obtained of any similar type when a search of his home was conducted. He noted that the sending of the literature might have been a result of the publicity received.

The Springfield Division of the FBI supplied the following information:

[redacted] age 15, [redacted] Quincy, Illinois, advised that he is commonly known as [redacted]. He is a student who has just completed the 9th grade at Quincy Junior High School and in September 1961, plans to enter the 10th grade either at Quincy Senior High School or at Christian Brothers High School at Quincy. He is a classmate of [redacted].

During the early part of the summer, 1961, he and [redacted] noticed an ad in the Cavalier Magazine which encouraged readers to write and obtain information about the American Nazi Party. [redacted] wrote a brief letter asking for information and received some literature which he has since destroyed. He subsequently received an appeal for financial help and spent 50 cents to the American Nazi Party. [redacted] also received an appeal for financial assistance and sent them \$1.00. They wrote again asking for additional information and received it and subsequently destroyed it. The two together composed a letter over [redacted] signature approximately August 1, 1961, asking for additional information. In reply, he received the following letter:

"The distribution of literature in school is another way to inform people of your ideas and your existence. This creates controversy and your group and your ideas will be a topic of conversation. "COMMON SENSE"

"Common Sense" is a bi-monthly tabloid size newspaper published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey. The last statement of ownership appeared in the October 1, 1959 issue and listed the owner and publisher as the Christian Educational Association and Editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on December 17, 1954, published the "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet", the vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

YOUTH TO ABOLISH THE UN-AMERICAN COMMITTEE  
also known as Youth Against Un-American  
Activities Committee

On February 9, 1960, a source made available a mimeographed letter dated January 26, 1960, signed by "Youth Against House Un-American Activities Committee." This letter explains that several youths who had been active in promoting international exchanges had been subpoenaed to appear before the House Committee on Un-American Activities (HCUA) on February 3, 4, and 5, 1960. It states that at a meeting held on January 23, 1960, in New York City, a Committee of Youth Against the Un-American Activities Committee was formed to oppose the hearings in a joint effort with "the large segments of the people who already challenge the constitutionality of the committee's existence."

On June 10, 1960, and August 11, 1960, the same source advised that at a meeting of the Manhattan Youth Club, Communist Party, held on June 5, 1960, in New York City, it was stated that the composition of the "Youth Against the HCUA" was half-Communist Party and half non-Party; however, ninety-five per cent of the members were members of Advance.

On June 6, 1960, a second source advised that at a meeting on June 3, 1960, at New York City, it was announced that the name of this organization had been changed to Youth to Abolish the Un-American Committee.

On February 21, 1961, a third source advised that on that date a meeting of the Youth Committee was held in New York City. In attendance at this meeting were representatives from nine colleges in the New York City area. At this meeting a "Co-ordinating Committee" was selected consisting of a representative and/or representatives of each of the colleges. The purpose of this group would be to meet regularly and co-ordinate future activities and the Youth Committee would co-ordinate all east coast college abolition activity.

On July 6, 1961, a fourth source advised that the Youth Committee maintains headquarters at 150 West 34th Street, Room 442, New York City.

CONGRESS OF RACIAL EQUALITY (CORE)

According to the August 1961 issue of "CORE-LATOR" published by the Congress of Racial Equality, 38 Park Row, New York 38, New York, the organization is described as "A National Organization with affiliated local groups working to abolish racial discrimination by direct nonviolent methods."

March 5, 1962

On March 2, 1962, a rally was held at Carnegie Hall, West 57th Street and 7th Avenue, Manhattan, New York; approximately 1500 attended this rally which began at 8:00 p.m., and ended at 10:45 p.m. Those observed in attendance were:

PETE SEEGER  
DR. HERBERT APTHEKER  
JAMES JACKSON  
GUS HALL  
BEN DAVIS

and her husband

FNU LNU, white male, 60, 5'11", 190-200, white hair

b6  
b7c

Outside the above hall, a group of unidentified individuals distributed leaflets published by the American Nazi Party to those entering the hall before the rally started.

A white male, who did not identify himself, stood at a rostrum located in the center of the stage in the above hall. At 8:00 p.m., this male called the rally to attention by addressing the audience as brothers and sisters over a public address system and said "we will stand and sing the national anthem". This male, alone on the stage, advised the purpose of the rally was to raise funds to continue the operation of "The Worker" and briefly he criticized the Attorney General, ROBERT KENNEDY, for trying to silence the press. He then introduced Dr. HERBERT APTHEKER who he described as a teacher, lecturer, and editor of a national magazine.

NY 97-169

APTHEKER approached the rostrum from the left wing of the stage, the male who introduced him left the stage to the left wing, and APTHEKER received a standing ovation. His speech concerned a criticism of the Attorney General, ROBERT KENNEDY, who visited communists in his travel of thousand of miles which APTHEKER could not understand why he went. Applause by the audience at this point inferred KENNEDY did not have to travel all around the world to meet and discuss matters with them as he could have done so here in the United States. APTHEKER offered to discuss matters with KENNEDY concerning the registration of Communist Party officers and members and tell him, KENNEDY, the American Communist Party has no plans to overthrow the government. In addition, APTHEKER wanted to tell KENNEDY there is a group, the American Nazis Party, who have plans to overthrow the government and have the means to do so, there are people in the U.S. Senate and government who are working with the American Nazis Party to overthrow the government, and every time a peace group is formed the members are labeled communists. He said the Communist Party is not a party which wants to overthrow the government but it is a political party and if the government looked into this party they would know the Communist Party consists of peace loving people.

The next speaker, not identified, read an article from one of the newspapers published in New York, possibly the "Herald Tribune", in which the author of this article stated Ukrainians had no culture and merely tagged along with other countries. He said a dance by four boys and four girls in Ukrainian fashion would tell a story and prove Ukrania had culture. The dancers performed their act and the stage was cleared.

The first speaker came on the stage and announced the next speaker as a pianist possibly from Russia because of his broken English which was not heard clearly. He played two concertos after his speech. Again the stage was cleared following this performance.

NY 97-169

The first speaker appeared on the stage again and announced a collection would be taken at this time to keep the "Worker" alive.

After the collection, the first speaker introduced JAMES JACKSON who he described as Editor of "The Worker". JACKSON was seated in the first row of the hall, rose and walked on the stage to the rostrum while the first speaker sat behind him. JACKSON received a loud ovation. JACKSON's speech concerned the following: he criticized the Attorney General's lack of enforcing the law regarding integration, the segregation problems in the South at such a critical period of time and said the Attorney General should be home and not traveling all over the world. JACKSON said he had been subpoenaed to appear in Washington, D.C., next week to testify on "The Worker". He said the Federal constitution guarantees freedom of the press, he doesn't make the news but prints it and only the truth. JACKSON stated he didn't know of any newspaper in the United States other than "The Worker" that had to hide its distribution. The Attorney General wants to label the paper as a publication printed for subversive reasons. JACKSON said he didn't think it was right to have the paper labeled as such because the paper is not for this purpose and would go to jail for it. If he goes to jail, the paper would go on as it has means to get funds to continue its operations. JACKSON stated ROBERT KENNEDY visited West Berlin and said the U.S. would fight for freedom. JACKSON said we have been fighting for 100 years for freedom here to have laws enforced concerning integration but this law is not enforced. In conclusion, JACKSON introduced BEN DAVIS and GUS HALL who were seated in the balcony. DAVIS and HALL acknowledged this introduction by rising and received an ovation after which they sat down. Neither were identified other than by their names and they did not make a speech.

The first speaker announced \$4600 was collected. [redacted]  
[redacted] JAMES JACKSON and the first speaker were on the stage. JACKSON and the first speaker alternately announced the names of large contributors and amounts they gave; one person gave a \$1,000, four gave \$100 each, and other amounts followed.

b6  
b7c

NY 97-169

After the first speaker announced a collection would be taken, he introduced a group of boys and girls from Philadelphia who sang folk songs. This group numbered 10 and they sang 4 folk songs. PETE SEEGER played his guitar and did a solo folk song about the House Committee on Un-American Committee.

ReBairtel to NY, 3/5/62.

Reairtel stated that the American Nazi Party (ANP) and Nationalist Party activities are increasing in the NY area and that efforts should be made to insure adequate informant coverage is being developed within these organizations.

It is noted that there are no actual members of the ANP in the NY area except when they come to NY for purposes of picketing some Communist Party (CP) or CP front activity as they have done in the past.

In fact, the last activity by the ANP in NYC was a demonstration by [redacted] outside Carnegie Hall, NYC, where a meeting in celebration of the 25th anniversary of "The Worker" was held on 3/2/62. It is noted that [redacted] all traveled from ANP headquarters in Arlington, Virginia for the purpose of participating in this demonstration.

Detective [redacted] NYCPD, is an undercover operator for the NYCPD in both ANP and Fighting American Nationalists (FAN) activity in the NYC area, employing the pseudonym of [redacted]. Information obtained by [redacted] has been made available to the NYO. Much of this information has been obtained by [redacted] through weekly telephonic contact he has had with [redacted] at ANP headquarters in Arlington, Virginia. [redacted] in the latter part of 1961, replaced [redacted] as the head of FAN activity in the NYC area when [redacted] returned to ANP headquarters in Arlington, Virginia, to assist ROCKWELL, ANP leader, with the publication of his book. According to [redacted] there has been no FAN activity as such since [redacted] departure for Arlington in the latter part of 1961.

All ANP activity in NYC to date has originated from Arlington, Virginia and the NYCPD has been informed well in advance of any ANP activity either through Detective [redacted] or through ROCKWELL himself who has made it a practice to inform local authorities before any contemplated activity in the NYC area. As a result, the NYO has always had excellent coverage both in ANP and PAN activities in the NY area.

b6  
b7C

As for the Nationalist Party, this group appears to be a most ineffectual group which joins with other groups such as the Hungarian freedom fighters to make it appear that they are a larger group than in reality they are. According to information developed by the NYO, the Nationalist Party (NP) has very few members with LUKE DOWDER and [redacted] being in control. However, as of early February, 1962, [redacted] had severed connections with the NP and NP activity since then has been almost nil. There has been little or no opportunity to obtain informant coverage in the NP because of its small membership and its actual lack of any apparent recruiting.

Concerning the American National Party, another small group which is composed almost exclusively of former ANP members, DANIEL BURROS, a former ANP member, who is now an officer in the American National Party, has voluntarily furnished information to the NYO concerning his knowledge of ANP activities in the past as well as current activities of the American National Party.

In view of the above, it is felt that the NYO presently has excellent coverage of various racial groups similar to captioned organization which are active in the NYC area. It is felt that activity of captioned organization as well as other groups may increase in the future and an opportunity will then be afforded for NYO to obtain additional coverage of these groups should they institute any recruiting drives.

However, at the present time, all of the groups, mentioned above, have a limited membership in the NYC area and consequently there has been no need or opportunity to increase coverage of these groups since existing sources have provided full coverage concerning their activities.

NYO will remain alert for any increased activity by the above organizations and for any opportunity for informant coverage of these organizations which coverage is not now possible due to the extremely small actual membership in these groups at the present time.

Re: American Nazi Party  
Racial Matters

On April 5, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department (BSS, NYCPD), advised that he had been informed by [redacted] Dean of Students, Hunter College, Bronx Campus, New York City that George Lincoln Rockwell, leader of the American Nazi Party (ANP), will speak at Gillet Hall, Hunter College, Bronx Campus on April 11, 1962, from 12:00 noon to 2:00 pm.

b6  
b7C

According to Dean [redacted] Brooklyn, New York, a student at Hunter College and leader of the Competency Party which invited Rockwell to speak at Hunter College, has received word from Rockwell that he, Rockwell will appear at Hunter College on April 11, 1962.

According to Dean [redacted] the Competency Party is an accredited student organization engaged in campus politics and its program is rabidly opposed to the program of the ANP. Dean [redacted] stated that in fact, its (Competency Party) membership is composed of 99% of persons of Jewish ancestry.

b6  
b7C

Dean [redacted] advised that admission to Gillet Hall to hear Rockwell speak will be limited to the student body of Hunter College, the faculty of Hunter College and the press. Five hundred admission tickets will be printed since this is the capacity of Gillet Hall and they will be distributed on a first-come, first-served basis with care taken to see that no individuals outside those previously mentioned will obtain any of the tickets.

Dean [redacted] stated that he knew of no planned student demonstrations in protest of Rockwell's appearance and advised that any students who cause a disorder will face six months suspension and possibly dismissal from Hunter College.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Dean [ ] further advised Detective [ ] that the following campus clubs composed of Hunter College students will participate in a "walk-off campus project" as a boycott against Rockwell's appearance but will hold no demonstrations on the campus: Newman Club, composed of students of the Catholic faith; Hillel Club, composed of students of the Jewish faith; and student members of the Young Americans for Freedom (YAF).

Dean [ ] advised that on April 11, 1962, he will speak at Oillet Hall for a few moments before Rockwell's speech explaining that Hunter College in no way sanctions Rockwell but upholds his right to freedom of speech. Following this, Rockwell will be introduced by [ ] and will speak for 40 minutes. Immediately thereafter, a question and answer session will be held with [ ] acting as moderator. At any sign of a disturbance, [ ] will conclude the session.

Detective [ ] further advised that he had been informed by [ ] on April 5, 1962, that he [ ] had received from Rockwell a letter informing [ ] that he, Rockwell would appear at Hunter College at 11:30 am on April 11, 1962 with two other members of the ANP. According to Rockwell, none of them would wear any uniforms, insignia or swastika armbands nor would they attempt to distribute any ANP literature. Rockwell stated the topic of his speech would be "Nazism Only Real Alternative to Communism".

A characterization of the ANP is attached hereto and sources mentioned therein have furnished reliable information in the past.

A source, who has furnished reliable information in the past, advised that George Lincoln Rockwell, leader of the American Nazi Party (ANP), will arrive in New York City on April 11, 1962, to appear at Hunter College, Bronx, New York, where he is scheduled to deliver his speech.

According to the source, Rockwell was to be accompanied to New York City by two ANP members, [redacted] but is now doubtful if [redacted] will accompany Rockwell since he, [redacted] was recently sentenced to serve in jail for "trampling a Russian flag in Washington".

The source further advised that [redacted] a Lieutenant in the ANP, will come to New York City on April 10, 1962, a day before Rockwell is scheduled to appear. The purpose of [redacted] visit was unknown to the source who surmised that it probably has something to do with preparatory arrangements for Rockwell's visit.

The source stated that Rockwell expects to be arrested on an outstanding warrant when he comes to New York City on April 11, 1962, but has hopes of being free in time to participate in all or part of the time allotted to him at Hunter College, Bronx, New York on April 11, 1962.

The source stated that he had no information concerning the time of Rockwell's departure from Washington, D.C. or arrival in New York City on April 11, 1962.

On April 10, 1962, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that on the evening of April 9, 1962, he had been in telephonic contact with George Lincoln Rockwell, leader of the American Nazi Party (ANP).

Rockwell advised Detective [redacted] that he will meet Detective [redacted] at 10:30 am on April 11, 1962, at the New York end of the George Washington Bridge for the purpose of surrendering himself for arrest on a warrant which is outstanding.

b6

Rockwell stated that he will make the trip from Arlington, Virginia to New York City on April 11, 1962, in an automobile owned and driven by [redacted]. In addition to [redacted] Rockwell stated he will be accompanied by [redacted] all members of the American Nazi Party.

Rockwell stated that he does not expect to be released, after his arrest, in time to make a scheduled appearance at Hunter College, Bronx, New York, and in that event, either [redacted] or Matt Koehl, from Chicago will appear at Hunter College in his place.

Rockwell stated that he is not too certain about Koehl appearing in his place since he is not sure if Koehl is actually in New York City.

The September, 1959 issue of "The Thunderbolt", publication of the National States Rights Party (NSRP) contained an article written by Matt Koehl, then identified as National Organizer of the NSRP.

ART SHIELDS.

[REDACTED] announced that a meeting would be held to greet FRANK WILKINSON of the National Committee to Abolish the HUAC. It would be held on 3/18/62, at Hunts Point Paaace, 953 Southern Boulevard, Bronx, NY. This meeting would be sponsored by the BCLC and the New York Council and Youth to Abolish the HUAC, 150 W. 34th St., NYC. A total of 4000 flyers have been printed and 1000 more will be printed in Spanish. Plans have been made to distribute 2000 of these around high schools and colleges.

ART SHIELDS, the guest speaker, took the floor. He did not identify himself as he was known to everyone. He spoke of the injustices of the McCarran Act. He said that a number of people had been called to Washington, D.C. to testify under this Act and that this Act had been put into effect to honor the CP, the United Electrical Workers Union, the ACPFB, the VALB, and numerous other organizations that the government is trying to persecute.

SHIELDS said the McCarran Act restricts freedom of thought and speech. He said a committee in the State of Maryland recently formed an organization known as the Maryland Committee for Democratic Rights. This organization wrote to the President asking that a fact finding commission be formed to study the MCCarran Act and see if something can be done to nullify it. This committee also sent a delegation to Washington to visit Congressman.

NY 100-

SHIELDS also talked about GUS HALL and a speaking tour that HALL had recently made to California. He said HALL had a successful trip and spoke to many college students about the danger and the injustice of the McCarran Act. He said HALL's talk was well received by many youth groups and that HALL had received a number of invitations to return and speak to other groups.

An announcement was made that NORMAN ROCKWELL, a Nazi sympathizer, is scheduled to speak on 4/24/62, in NYC. He was given permission to speak by NYC authorities. A committee is being formed from various progressive, freedom loving people in the NYC area to see if they can approach NYC officials and have this permit revoked.

Re: American Nazi Party  
Racial Matters

On April 12, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department (BSS, NYCPD), advised that he had been in telephonic contact with George Lincoln Rockwell, leader of the American Nazi Party (ANP), in Arlington, Virginia at 9:45 am, this date.

b6  
b7c

Concerning his non-appearance at Hunter College, Bronx, New York, on April 11, 1962, Rockwell stated that a representative of the American Civil Liberties Union (ACLU) had advised him not to come to New York City on April 11, 1962, since he would be arrested. The ACLU representative advised him to spend the money, he might otherwise have to post for bail for the services of a lawyer so he might attempt to have the outstanding warrant vacated without Rockwell ever making an appearance in New York City. Rockwell stated that he was looking into this and even if this procedure were not possible he might make an appearance in New York City on May 11, 1962, to speak at Union Square, New York City.

Rockwell further stated that he had been in telephonic contact with Newbold Morris, Commissioner, Department of Parks, New York City, and Morris stated that he is making an effort to see that Rockwell obtains a permit for the use of Union Square, New York City on Friday, May 11, 1962. Rockwell advised that he has received no official notification that he may have a permit for Union Square on May 11, 1962, but did state that if he planned on coming to New York City on May 11, 1962, he would give the NYCPD authorities at least 12 hours advance notice.

Rockwell stated that he is involved in some court litigation at the present time in the area of Arlington, Virginia, and has a very busy week-end planned for April 14-15, 1962. Rockwell gave these as additional reasons why he could not afford to appear in New York City and be arrested on April 11, 1962. He stated that not only did he lack finances to post bail but also felt that the "court would be rigged" to prevent him from being free to travel to Arlington, Virginia within a short time after his arrest.

Re: American Nazi Party

Rockwell also stated that he himself would not be in New York City on May 1, 1962, to demonstrate against the "communist rally" in Union Square, New York City, but would probably send some of his men in uniform to picket at Union Square on May 1, 1962.

Rockwell concluded by stating that the ANP is "in bad shape financially".

A characterization of the ANP is attached hereto and sources mentioned therein have furnished reliable information in the past.

Re: American Nazi Party

In his speech, [ ] explained that Rockwell was unable to make an appearance because there was a warrant outstanding for his arrest in New York City. [ ] then explained the purposes behind the formation of the ANP, stating that it was formed for the basic purpose of fighting Communism. [ ] denied that the ANP was anti-Semitic stating the ANP was only opposed to those Jews who were Communists.

[ ] also stated that there were no Nazi atrocities during World War II as had been depicted in various inaccurate films. He stated that Nazi camps were similar to camps which the United States established for its enemies during World War II.

b6  
b7C

[ ] stated that the ANP was cooperating with the Nation of Islam (NOI) and was in agreement with the NOI that the negro should receive areas in which to live apart from the white people.

In the question and answer period, [ ] stated that the ANP has a hard core membership of 60 with a total membership of 600 throughout the United States. [ ] further related that the ANP receives correspondence from about 10,000 individuals and that its main centers of activity in the United States are in Arlington, Virginia, Los Angeles, California and Chicago, Illinois.

Detective [ ] advised that [ ] departed Gillet Hall, Hunter College, Bronx, New York, immediately after [ ] speech and entered the George Washington Bridge enroute to New Jersey and Arlington, Virginia at 2:05 pm on April 11, 1962.

b6  
b7C

Detective [ ] advised that the audience at Gillet Hall, Hunter College remained orderly throughout [ ] appearance and there were no incidents.

[ ] was dressed normally in casual clothes and there were no ANP banners, insignia or uniforms of any type displayed.

At 2:45 pm on April 11, 1962, Rockwell again telephonically contacted the office of BSS and stated that he had been joined by the aforementioned members of the ANP at an undisclosed point in New Jersey.

Rockwell stated that he did not make his scheduled appearance in New York City since he knew he would be taken into custody by local police authorities and felt that possible "high bail" and "ringers in court" would cause him to be held in New York City for a longer time than he desired. Rockwell

Re: American Nazi Party

stated that he was returning to Arlington, Virginia but expected to return to New York City within two weeks.

If and when he does return to New York City, Rockwell stated he would furnish advance notice to the proper New York City authorities.

On April 11, 1962, Detective [redacted] ESS, NYCPD, advised that from 11:00 am to 2:00 pm at Gate Number 5, Golden Avenue, Bronx, New York, outside Hunter College, a number of pickets reaching 150 at its height, demonstrated against Rockwell's appearance at Hunter College. Of these 150 pickets, approximately 25 were representatives of the United Jewish Survivors of Nazi Persecution, 25 East 78th Street, New York City, led by [redacted] [redacted] The remainder of the pickets at Gate Number 5 consisted mainly of local college and high school students some of whom wore armbands which bore the Star of David.

b6  
b7C

Detective [redacted] further advised that at the main gate of Hunter College on Paul Avenue, Bronx, New York, a group, which numbered about 700 individuals at its peak, demonstrated against Rockwell and the ANP. This group was made up of about 100 representatives of the Anti-Fascist Youth Committee which has its headquarters located in the apartment of its founder, [redacted] [redacted] a City College of New York student, who resides at [redacted] New York City. The remainder of this group, according to Detective [redacted] was made up of various college and high school students.

Characterizations of the ANP and NOI are attached hereto and sources mentioned therein have furnished reliable information in the past.

Source said two new probationary members of ANP have moved into Auxiliary Headquarters. One is [ ] of Cedar Rapids, Iowa and the other one is [ ] of Bethlehem, Pennsylvania.

Regarding activities of ANP, source said Rockwell is taking every opportunity to obtain invitations to make speeches at college campuses throughout the United States. As an example, source said on April 10, 1962, that Rockwell was leaving on this date to speak at Hunter College in New York City. Rockwell was planning to fulfill this engagement in spite of the fact that he believed he would be arrested in New York City based on a warrant that was taken out some two years ago charging him with disorderly conduct. Rockwell felt that when he was arrested, he would also be accused of being insane.

A characterization of ANP is attached.

Albany, New York

April 9, 1962

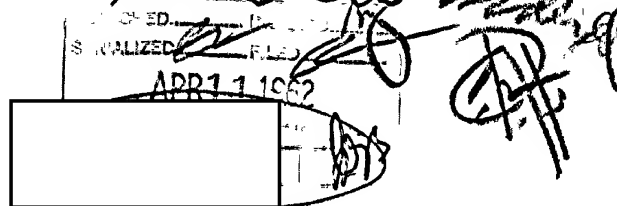

[redacted]  
East Syracuse, New York

On April 2, 1962, Mr. [redacted] furnished  
the following information:

He stated that in connection with his application for employment with the Post Office Department in Syracuse, New York as a substitute clerk on approximately March 15, 1962, he furnished a resume of his membership in the American Nazi Party (ANP) he desired to furnish to the Federal Bureau of Investigation details concerning this membership since he feels that the ANP is a Fascist organization and for this reason has severed all ties with it. He was an associate member of the ANP (#A-110) from July, 1961 to February 21, 1962 when he submitted a letter of resignation to George Lincoln Rockwell at ANP Headquarters, 928 North Randolph Street, Arlington, Virginia. [redacted] has not received any letter of acknowledgment from Rockwell and doubted that he would receive one since Rockwell does not relinquish his members readily. b6 b7C

[redacted] stated that the primary motivating force which prompted him to sever his relationship with the ANP was his return to the Catholic Church. In this regard he noted that he spent one year during 1958 at St. John's Atonement Seminary near Elmira, New York.

He stated that he first developed an academic interest in the activities of Rockwell in the ANP during January, 1961 as a result of a radio opinion program in which views were presented by the State Commander of the Jewish War Veterans urging that action should be taken to prevent Rockwell from speaking at a public square in New York City. [redacted] stated he felt that this was wrong since Rockwell was being deprived of his Constitutional rights and accordingly he went to the State Commander of the Jewish War Veterans, [redacted] and told him that he was going to compile some cold, hard facts concerning the ANP. He intended b6 b7C

to include in this book information concerning both the ANP and the John Birch Society. This book, which has not been completed, is entitled "Left Meets Right."

After a series of about five letters to Rockwell [ ] finally proceeded to Washington, D.C. on July 10, 1961. He telephonically contacted ANP Headquarters and made arrangements with Lieutenant Dan Burroghs, ANP Secretary, to be picked up at the airport. He was met at the airport by [ ] Storm Leader from ANP Headquarters, [ ] a representative of the Fighting American Nationalists (FAN) from New Orleans, Louisiana and two unidentified persons from Cincinnati, Ohio who apparently were in Washington for the purpose of getting information prior to setting up FAN units in Cincinnati. [ ] last known address was [ ] New Orleans 18, Louisiana. [ ] characterized FAN as the front group of the ANP.

b6  
b7C

[ ] stated that he remained in Arlington, Virginia for about a week and stayed at "The Mansion" which was the barracks utilized by the ANP for some of its personnel. The telephone number at The Mansion, Jackson 4-8652 was an unlisted number for the Homestead Construction Company, since some of the ANP personnel worked in the construction business to defray expenses.

[ ] stated he had little contact with Rockwell who remained in a locked room at ANP Headquarters most of the time, guarded closely by a Storm Trooper. In addition to [ ] identified the following ANP and FAN officers:

[ ] Security Officer, who resided at [ ] Virginia, telephone number [ ].

b6  
b7C

Captain [ ] ANP National Organizer.

[ ] affiliated with FAN at 709 Albee Building, Washington 5, D.C.

Lieutenant [ ] official bodyguard.

[ ] stated he also met [ ] FAN Organizer from New York City, telephone [ ]. He said he had heard that [ ] had been fired by [ ].

-2- Indef alt

Ryan after [ ] accused [ ] of being a homosexual and at the present time [ ] is attempting to set up a new organization in New York City.

b6  
b7C

While at ANP headquarters [ ] stated he received little instruction from Rockwell or other officers, although prior to departure from Arlington after signing his application for ANP membership, he was given some general advice on how to set up a FAN group in Syracuse. Rockwell told [ ] not to mention the word Nazi to any persons contacted and to be very selective in choosing recruits.

[ ] stated he spent a great deal of time doing sightseeing in Washington, D.C. He spent about a day and a half at ANP handling mail and estimated that ANP has a mailing list of about 2000, although they are unable to circularize to that extent because of the cost. He estimated that ANP receives about \$1000 a month from the sale of its publication "The Rockwell Report" and through contributions.

[ ] noted that on one day Rockwell was storming about because of an \$1800 obligation on the printing press. Rockwell was able to muster up \$800 to satisfy his creditors and [ ] said he heard \$500 of this amount was loaned by a Mr. [ ] a FAN representative, who was employed by the U.S. Maps Service, Washington, D.C.

b6  
b7C

[ ] stated that the ANP officers were generally an unintelligent group, with the exception of Rockwell, who is quite brilliant although an egomaniac. Because of this he does not feel that the ANP constitutes a subversive threat since it is small in numbers and has been unable to attract capable personnel. He estimated the national membership of the ANP as less than 100 and said that probably at least 60 of these members are located within the metropolitan area of Washington, D.C. He said that the group in New York City headed by [ ] had about seven members prior to his break with ANP. Outside of the Washington, D.C. area the largest group that he knew of was in Los Angeles and estimated ANP membership there as seven to fourteen. There are no ANP officers outside of Arlington, Virginia, to his knowledge.

[ ] stated there are many visitors to ANP including the Arlington Police. Rockwell maintains arms at ANP Headquarters and [ ] stated that he had knowledge of six Army rifles, caliber unknown, and a .45 caliber pistol. Rockwell has obtained permits for these weapons.

b6  
b7C

[ ] stated that while in Washington he participated in a picketing demonstration at Union Station, Washington, D.C. as a representative of FAN, which was directed in opposition to the Freedom Riders. ANP pickets were also present and the only significant difference was the more inflammatory language utilized by ANP persons.

[ ] stated that after his return to Syracuse, New York during the latter part of July, 1961, he was a confused person and undecided as to whether or not he should continue any relationship with the ANP. He received no correspondence from ANP until November, 1961 and until that time had never recruited any ANP or FAN applicants. He has received copies of the Rockwell Report and other literature put out by the ANP such as the program of the World Union of Free Enterprise National Socialists. He stated that he was the only ANP member in Syracuse, New York and although he obtained applications for FAN membership from two of his acquaintances in Syracuse, he never sent these applications to Rockwell. He did not forward these applications because he realized that the ANP attracts persons with confused minds and noted that of his two applicants one had received a suspended sentence for carnal abuse and the other had recently been admitted to the Veterans Administration Hospital in Syracuse as a mental patient. [ ] stated he did not want to involve these persons.

b6  
b7C

[ ] stated that after his return to Syracuse he "secretly wanted to destroy the ANP." He said that he was interviewed over the opinion program, radio station WFBL in Syracuse and when questioned about the ANP "tore up Rockwell." [ ] stated that he feels that the ANP and the John Birch Society should both be designated by the Attorney General of the United States as subversive because they are Facists.

[redacted] furnished the following background information:

He was born on [redacted] and has lived in the Syracuse area [redacted]. He served in the U.S. Air Force from December 1, 1954 to September 1, 1958 [redacted] and received an honorable discharge. b6  
b7C

After leaving St. John's Atcnement Seminary in June of 1959 because of his inability to master Latin, he was employed at Syracuse Memorial Hospital from June, 1959 through October, 1960 as an orderly. He was discharged from the hospital for replacing a patient's tracheotomy tube which he was not licensed to do. From October, 1961 to July, 1961 he was employed at Wells and Coverly Clothing Store, Syracuse, New York. [redacted] currently is employed on a part time basis for a Mr. [redacted] East Syracuse, New York as an attendant.

The visit is unofficial although he will speak at a number of meetings convened for the purpose of soliciting support for Israel's Technion, the government-sponsored technical school in Haifa.

Among other appearances, LANDAU's tentative itinerary includes a visit to Chicago during the period 5/8-12/62.

Since captioned organization, in its public demonstrations in the past, has made repeated reference to the treatment afforded EICHMANN in connection with his trial, it is believed that LANDAU's visit to Chicago, if known by that organization, could give rise to demonstrations against him by the American Nazi Party.

"1. Encampment (Pete): The East Coast Encampment is scheduled for the weekend of April 20-22. However, reports are that a large Freedom Ride is being planned for that weekend which will draw people from all over the East Coast. Secondly, Rockwell's Nazis will be in New York on the 20th. We should consider changing the dates of the encampment to permit fullest possible participation in these activities. Postponing the encampment another week would also make it easier for [redacted] to get back in time.

"General discussion.

"Motion: That we change the dates of the encampment to April 28-29, provided that the camp is able to do this.

carried

"2. Area reports: see enclosed reports.

"3. Baltimore report (Pete): Enclosed with minutes.

NY 100-133479

"4. Anti-YAF report: A report to the SWP branches by Carl Feingold is enclosed for the information of the YSA National Committee.

"5. 2nd Declaration of Havana (Pete): Sales of the 2nd Declaration of Havana have been highly successful in New York. The locals should give attention to giving this significant pamphlet as wide a distribution as possible.

"6. CAMD (Pete): One of the Monroe Defendants, [ ] is making a speaking tour of the Midwest and West Coast for the CAMD. He will begin his tour by speaking at CCNY where a CAMD chapter has just been set up.

"Motion: We support the [ ] tour and the locals should give it attention.

carried

"7. Finances [ ] and Pete): enclosed with minutes.

"8. Fund Drive Report: enclosed with minutes.

"9. Minutes (Pete): The best way to keep in touch with all the areas is for them to send in regularly copies of their minutes, typed if possible. This enables us to keep regular files and gives us a better picture of the life of a unit than anything else. Some locals have been very good about this; most have not.

b6  
b7C

"Discussion: [ ]

"Motion: That all locals make certain that copies of their minutes are sent to the N.O. regularly.

carried

"10. Young Socialist (Pete and [ ]: We need to raise at least \$200 before the April issue can go to the printer. It has already been delayed for over a week beyond the scheduled press date; it cannot come out unless we receive money right away.

NY 100-133479

"This issue will center on peace activities, around the resumption of testing, demonstrations, etc. It will also have an article on the anti-YAF demonstration, drawing lessons as to how to fight the right.

"Discussion: [redacted]

b6  
b7C

"11. SPU [redacted]: These should be taken as some preliminary ideas on how we can most effectively approach the SPU convention. Our referendum slogan should be supplemented by other ideas. We might try to urge the SPU to remain true to its initial ideas, eg. unilateralism, removal of foreign bases, etc. We might form a bloc with unilateralists, depending on the local situation. We might call for an alternative to the Democratic-Republican parties by calling for a Labor Party as a way to fight for peace. Emphasis should be put on moving in with more advanced slogans.

"General discussion.

"Motion (Pete): [redacted] and Pete be assigned to draw up a statement which takes off from the SPU stand in favor of 'unilateral initiatives'. It should give some concrete content to this stand by calling for the removal of foreign bases, hands off Cuba, getting out of Viet-Nam, etc.

carried

"12. CP Defense [redacted]: The YSA should launch a campaign to defend the CP. We should try to get together with other tendencies and dissident CP youth, issue a call for a conference to discuss action. We might have a united front rally to defend the CP on a civil liberties basis.

"General Discussion.

NY 100-133479

"Motion (Pete): a. We publish a statement calling for defense of the CP against the McCarren Act by all student and youth groups. b. We consult with the party and upon a report at the next meeting discuss further action. carried

Meeting adjourned: 9:40 pm"

The following was attached to the above minutes:

#### "Baltimore Report

"Pete spoke March 9th to about 25 in Baltimore. The majority of the audience being freedom riders. The following day there was a freedom ride planned by the Baltimore Civic Interest Group. However, the authorities of the CIG had made it clear that [ ] would not be allowed on the freedom ride since he's a red. This issue had transformed itself rapidly into a question of internal democracy. After the Friday YSA meeting about 9 freedom riders stayed until 2 AM to discuss the tactics for the coming day.

"All the freedom riders met at a church to wait for the bus. A local hot shot announced that the executive comm. had met and decided that [ ] would not be allowed on the ride. He then announced where they were going that day. He was interrupted by questions. They were questions like: 'Why is [ ] being kept off?', 'Who elected the exec. comm. and when?', 'Why can't we discuss these questions?' etc. At this point a slimey weasel 'I'm really on your side' type walked up and announced that the meeting was adjourned and ordered everybody to the buses. Supporters of internal democracy immediately set up a non-violent block to the entrance of the bus demanding that [ ] be allowed in or a discussion be held. The 'leaders' proceeded to take a list of those they felt would be willing to scab.

b6  
b7c

NY 100-133479

"At this point the red-baiters called the cops (two plain cloth men including a Negro cop). The whole area around the bus was filled with freedom riders discussing the question of internal democracy and of red baiting. It was becoming clear that the left wing was making gains in these on the spot debates. When the cops arrived they used the law the restaurants use to keep Negroes out to keep the militant freedom riders off the bus. The list was read of with a cop guarding the door. The list, however, was met with an occasional answer like - 'I'm for integration take me of that list.'

"Approximately 19 people went on the bus. They were primarily high school kids not acquainted with all the facts involved and a few who agreed with the majority but wanted to go on the freedom ride. A bad aspect of the division was that all those on the bus were Negroes while the left wing was integrated but primarily white.

"Those who had refused to go on the bus then went over to a Negro freedom rider's home to hold a caucus meeting. Pete noticed among this freedom riders books the ISR and Negroes on the March. This freedom rider was on the exec. comm. but was 'accidentally' not notified about the meeting where the exec. unanimously voted against [ ] participation. An executive comm. of the left wing caucus was elected including one YSAer. The whole bunch were sympathizers of the YSA reflecting the excellent work the small Baltimore YSA has been doing.

b6  
b7c

"A major decision of this meeting was not to make public the events of the day in order to be able to win as many of the other freedom riders on the basis of their loyalty to the movement and their desire not for publicity but internal justice. Therefore this report should not be used in any public manner.

"The Baltimore comrades deserve congratulations on their work in the freedom rides.

NY 100-133479

"AREA REPORTS  
March 20, 1962

"First five areas are reports by [ ] from his tour.

"1. Detroit: Spoke at Wayne U. to about 30 [ ] on the war question and at the SWP forum on socialism in general. Both talks were aimed at YSA contacts in and around the Wayne SPU. Our criticism of the Washington demonstration met with some response.

"We have five members in Detroit. They are working in the SPU as an open fraction. I attended an SPU meeting, where it seemed that the YSA and the YSA's position came up every ten minutes or so. Around our fraction a left wing is polarized (a key vote on our position vs third campism came out 11-18 against us) and the whole SPU has been shifted to the left in comparison with other SPU's I have seen. The YSA is accepted as a bona fide part of the SPU, although there is friction between the right wing and us.

b6  
b7C

"The comrades are continuing there good work in the Detroit Brotherhood Youth Council. We have gained a great deal of fraction experience in both these fields. The DBYC has absorbed the youth CORE and is seeking (has achieved P.C.) affiliation with the Trade Union Leadership Conference (NALC).

"Through these activities the YSA has a natural grouping of contacts and allies. The YSA should be more than five shortly. (Recruited one right after [ ] tour also Detroit has one member at T school).

"2. Antioch: Our contact at Antioch fell through, and when I arrived no one expected me. I ran into the head of the Marxist Club, who set up two meetings, one on war and one of the YSA. The meetings were small, and consisted mainly of the group of kids that sort of held a perpetual meeting or

NY 100-133479

"bull session with me. I met two guys from the Cleveland Monroe Defense Committee (who said they had quit because of MDC's wrong stands) who were interested in the Cleveland SWP. We made friends, and a girl who was thinking of joining YPSL wants to meet the seattle YSA during her work term, and [ ] will be looking us up in New York.

"The reaction was favorable in general to the YSA. A former member, [ ] was very friendly, and will be there during the next quarter. He is willing to set up another meeting during April. The problem appears to be simply amatter of getting one hard organizer on campus.

"The YPSL is around but not important as far as I could tell. The leader of the Marxist Club, the 'stalinist' leader, is pro-Cuba and pro-Trotsky and pro-YSA. We have no members at present at Antioch.

b6  
b7C

"3. Twin Cities : The meeting at the U. of Minn. was very sparsely attended. We have one graduate student on campus [ ], and we decided to reactivate the Socialist Club as a forum to keep our finger in the campus, but it was decided to concentrate on Carleton.

"The meeting at Carleton on war had about 30 people, half of whom stayed around to talk about things in general for 2 hours. The reaction was friendly and pro-YSA. [ ] and I went down to Carleton the next day and talked to five of these kids. We recruited 2 there, and the other three agreed to come to YSA meetings and decide on membership later. These five run the Socialist Discussion Club and they agreed to study a series of basic pamphlets on Marxism-Leninism. The Minneapolis YSA will meet at Carleton (they have 5 members now) and use the class as a recruiting ground.

NY 100-133479

"4. Madison : I stayed at the co-op house where the leaders of the Socialist Club live. They arranged a meeting under their auspices on war, with about 50 there. The Stalinoids, including a kid at the co-op who was friendly with me, boycotted the meeting. Four people from that background (leaders in the Socialist Club) were there, and they thought the talk was very good. The president of the club asked if I might come back on the other end of the tour. I over heard one of these four talking to the kid who didn't come: 'I think these Trotskyites are right on this class business. The World Communist movement's degradation of Trotsky is a lot of #\*\$% and I think it stinks.' I also met a fellow who called himself a neo-Trotskyist Moaist. The old Stalinist atmosphere of the campus is cracking, and again, like Antioch, a good organizer who could handle the Studies on the Left sharpshooters (at least that's how they consider themselves) would be able to form a YSA. We have on close contact there J.G., who has a loyalty to us, but will not be able to play this key role.

"5. Milwaukee: A public meeting drew the local Birchites and three contacts from an art school, one of whom was in the integration movmemnt as a high-schooler in Louisiana. We set up a low level class for these girls, some other contacts [ ] has.

"There are two functioning YSAers. The class will be aimed at recruting to form a local.

b6  
b7c

"General comment: [ ] Our stand on the Washington peace demonstration was well received at Madison: and among those who were in Washington from the other areas. Each area has asked me to speak on the war question, so far. There is growing interest in peace, and I think that we should continue to follow the movment closely in the paper.

"From here on the Area reports are from the N.O. not the tour.

NY 100-133479

"6. Boston: Two comrades participated in the Maryland freedom rides. The Harvard Socialist Club has been reformed (reactivated) with one of our comrades and a close contact active in the leadership. [redacted] meetings reported successful. The comrades are planning large meetings with film showing to raise money for the fund drive.

b6  
b7c

"7. Berkeley: Recruited three. Total now at 27. [redacted] spoke at Law School, on campus and at headquarters: total attendance 250. YSA leading broad committee to protest Kennedy March 23 at Berkeley. There'll be a complete report after the 23rd. YSA on the ups, YPSL Slate on the downs. Stalinist still not organized.

"8. San Francisco: Recruited 2. These two were two out of three members of the local YPSL executive committee. The two are working on the third and the other YPSL's. They expect to recruit. The Anvil club at SF State can now provide a means for YSA work there. We have three comrades on SF State. Working with Berkeley on March 23.

"9. Providence: Socialist Discussion Club being formed at Brown.

"A poll for political preferences at Brown gave the S.W.P. almost three percent. The SWP was the only socialist party which received any votes. Ideologically the socialist got almost 5 percent.

"10. Seattle: Active around the speaker ban fight and against the Christian Anti-Communist Campaign (Committee).

"11. At large: Fraternal recruited 4.

"12. New York: Class being held combined with the SWP for new members and close contacts. YSA class on the Soviet Union's economic development also being held. SPU CCNY fraction introduced motion on a referendum on testing. The motion was passed 14-3 and CCNY will hold a referendum on campus. The YSA local is planning a peace symposium and a fund raising social. Expect to recruit up to five next membership meeting.

MR. FEDERMAN(ph) was Master of Ceremonies. His first speech was in English. He said we will never forget or forgive what the Nazis did to us and he could not understand how the United States Government could allow NORMAN ROCKWELL to speak and above all, appoint ADOLPH HEUSINGER, a former Nazi official to represent Nato. (The Yiddish was interpreted into English by one of the audience.)

MR. FEDERMAN next introduced [redacted] who stated that the Bonn Government and Pres. ADENAUER harbors Nazi officials - if by chance the Nazi officials are sent to prison it is only for 10 minutes and they are exonerated - that there are still many EICHMANNS around, free - the Bonn Government is no improvement over the 3rd.
